

MV Bella Vista

Overview

From DREAM TO REALITY the MV Bella Vista has graced the waters of Sydney Harbour since October 2007.

A fusion of glass, style and elegance this dynamic vessel has redefined entertaining on Sydney Harbour.

Featuring uninterrupted views through our 3 metre high windows and spacious outer decks, the MV Bella Vista really is the Jewel of Sydney Harbour.

Fitted with all the modern day necessities – climate control air-conditioning, state of the art sound and lighting, high definition plasma screens, and of course – a fully stocked licensed bar on all three levels of the vessel! Our main ballroom allows for up to 350 guests to be seated across the one level or up to 800 guests for a cocktail style function.
